PRICING & TIMELINE

Website Creation/Redesign

Starting Price: \$1,500

Timeline: Approximately 2 weeks

Note: This base cost and timeframe may adjust based on project complexity, website size, and the promptness with which you provide necessary materials (e.g. images and text).

Website & Logo Package

Starting Price: \$2,500

Timeline: May extend beyond the base 2 weeks due to additional design iterations and coordination.

Complete Branding Package

Starting Price: \$3,000

Timeline: Adjusted to account for the comprehensive design process across all elements.

Note: Includes website, logo, color palette, typography, and collateral templates (business card design, presentation template).

Every specific combination or customization within our packages can be tailored further.

We'll discuss your exact requirements during our initial consultation to provide a precise quote and timeline.

Important note:

While this package is presented on Rock Report, please be aware that all services—along with invoicing—will be provided by **Byte Bloom**. This collaboration ensures that you receive top-notch expertise and dedicated support throughout your project.
